1. Would you support or oppose increasing the federal government's income tax rates on small to mid-sized manufacturing companies?
2. Would you support or oppose raising the employers' share of Social Security taxes?
3. Would you support or oppose retaining the R&D tax credit and incentives for capital equipment purchases?
4. Would you support or oppose reducing OSHA's overall oversight on manufacturing companies' environments?
5. Would you support or oppose amending federal regulations on the manufacturing sector to discourage outsourcing crucial production to foreign soil?
6. Would you support or oppose expanding the EPA's authority over manufacturing processes and products, based on how the concerned processes affect the environment?
7. Would you support or oppose raising the nation's minimum wage?
8. Would you support or oppose the view that the 2018 international trade tariffs hurt the manufacturing industry and are associated with relative reductions in manufacturing employment and relative increases in producer prices?
9. Would you support or oppose the idea of "free" trade with no tariffs, over "fair" trade with equity-attempting tariff policies?
10. Would you support or oppose investing more federal dollars into infrastructure projects that would possibly ease international supply chain distribution woes?
